2008 International Conference on Machine Learning and Cybernetics

Kunming China   12 - 15 July 2008

Call For Papers on Invited Sessions
"Applied Intelligent Systems"

In order to get high quality papers, we invite you to submit paper to Invited Session on Intelligent Computational Models in International Conference on Machine Learning and Cybernetics (ICMLC) 2008.

Description

The goal of this invited session is to bring together researchers interesting in Applied Intelligent Systems. Researchers from these areas are encouraged to submit proposals to present their work related to intelligent systems. Submissions will be evaluated on the basis of their innovation, relevance, scientific contribution, and presentation.

Submission Topics

- Adaptive systems
- Computational intelligence
- Intelligent agents and control
- Natural language processing

- Reconfigurable computing
- Hybrid intelligent systems
- Multi-sensors systems
- Speech synthesis and recognition

Important Dates

Paper Submission Deadline:	**1 March 2008**	Author Registration Deadline:	**10 April 2008**
Notification of Acceptance:	**31 March 2008**	Carmera-Ready:	**20 April 2008**
